LEARNING OUTSIDE THE CLASSROOM

Use the language skills that you learn, in settings outside the classroom. This will include community service projects, campus visits, and optional weekend trips (additional fees apply).

Optional Community Service Projects

Participate in one or more community service projects. This will provide an opportunity to practice English, interact with the local community, and understand multiple aspects of American culture.

Optional Weekend Trips

Visit culturally significant locations in San Diego, Los Angeles, and surrounding areas, on short weekend trips. Museums, architecturally unique landmarks, and historical spots of interest can be visited (additional fees apply).

Optional Yosemite Camping Trip

Experience the natural wonders of one of America's greatest national parks. Students will camp, hike, and enjoy spectacular scenery.

Dates: August 20-23

Cost: \$315
