Study English and Debate in California This Summer

夏季アメリカ英語とディベート研修旅行

Summer Session: Discover California

Program Benefits

- Learn English that will help you connect with people around the world
- Explore California culture
- Interact with other international students

Come study English and enjoy the summer in San Diego, one of North America's most beautiful cities. The American Language Institute (ALI) has a new summer Intensive English for Communication (IEC) program for students, August 24-September 10. It features a stimulating new curriculum with a strong emphasis on using practical English. Students will also take part in workshops to develop essential skills for debating in English.

Program Dates

- August 19: Fukuoka to San Jose, California
- August 19-August 21: Explore San Francisco and San Jose. Visit world famous companies like Google and Intel in Silicon Valley
- August 22: Fly from San Jose to San Diego
- August 24-September 10: Summer English Program at San Diego State's American Language Institute (ALI)
- September 13: Fly from San Diego to Fukuoka
